Hi R.H.

We were informed some time ago that Reeds Rains was due to send us those documents within 3 weeks, and the end of that 3 weeks was last week. However, so far we have not received anything from Reeds Rains. I would therefore ask that the deadline by which we are able to respond to their letter be flexible should Reeds Rains continue to fail to deliver it.

Should it turn up in the next few days then I will of course let you know.

Thanks
